Mayor Jim Reardon announced today the sad news that former Village of Rhinebeck Mayor John Costa has passed away. States Reardon, "It is with deep regret that I share the news of John's passing. Both John and his wife Teddy were customers of mine at E. A. Coon Florist for many years. John and I were also members of the Rhinebeck Rotary Club at the same time. John was an incredibly dedicated servant all his life evidenced by both his military career and his public service following his time in the armed forces. He was a very thoughtful, caring individual that touched the lives of anyone he was associated with and I will always remember his charm, wit and tireless dedication to enriching the lives of others. Rhinebeck benefited tremendously due to John's efforts. On behalf of the Village of Rhinebeck I would like to offer our deepest condolences to John's family at this difficult time. Our thoughts and prayers are with you."
