ATTENTION!!

RHINEBECK WATER DEPARTMENT CUSTOMER

Due to a scheduled fire hydrant replacement on Beech St and Chestnut St you will experience a loss of water on Thursday Oct. 24, 2013. Work to replace the fire hydrant is scheduled to begin at 8 AM and should be completed by 12:00 noon. Once these repairs are completed water may be discolored and users should run the water from the tap for several minutes to flush any sediment.

We appreciate your patience and understanding during this time and we apologize for any inconvenience this may cause.

Thank you,
Water Dept.
